|---------------|-------------------------------|-------|
| Y235816-1mg   | Baricitinib (phosphate) (99%) | 1mg   |
| Y235816-5mg   | Baricitinib (phosphate) (99%) | 5mg   |
| Y235816-10mg  | Baricitinib (phosphate) (99%) | 10mg  |
| Y235816-25mg  | Baricitinib (phosphate) (99%) | 25mg  |
| Y235816-50mg  | Baricitinib (phosphate) (99%) | 50mg  |
| Y235816-100mg | Baricitinib (phosphate) (99%) | 100mg |
| Y235816-1g    | Baricitinib (phosphate) (99%) | 1g    |

### 产品简介:

| CAS Number   | Chemical Formula       | Molecular Weight | Specifications |
|--------------|------------------------|------------------|----------------|
| 1187595-84-1 | $C_{16}H_{20}N_7O_6PS$ | 469.41           | 99%            |

### ➤ 基本信息(General Information):

|                  |                         |
|------------------|-------------------------|
| Name (Chinese)   | Baricitinib (phosphate) |
| Name (English)   | Baricitinib (phosphate) |
| Specifications   | 99%                     |
| Chemical Formula | $C_{16}H_{20}N_7O_6PS$  |

### ➤ 性质(Properties):

|                         |       |
|-------------------------|-------|
| Storage and Sensitivity | -20°C |
| Appearance              | -     |

### 包装清单:

| 产品编号          | 产品名称                          | 包装    |
|---------------|-------------------------------|-------|
| Y235816-1mg   | Baricitinib (phosphate) (99%) | 1mg   |
| Y235816-5mg   | Baricitinib (phosphate) (99%) | 5mg   |
| Y235816-10mg  | Baricitinib (phosphate) (99%) | 10mg  |
| Y235816-25mg  | Baricitinib (phosphate) (99%) | 25mg  |
| Y235816-50mg  | Baricitinib (phosphate) (99%) | 50mg  |
| Y235816-100mg | Baricitinib (phosphate) (99%) | 100mg |
| Y235816-1g    | Baricitinib (phosphate) (99%) | 1g    |
| —             | 说明书                           | 1份    |
